

Mons Chapter Install New Officers

The annual meeting of Mons Chapter, I.O.D.E. was held Feb. 9 and following is the slate of officers for 1956:

Honorary Regent, Mrs. A.R. Kendrick; Regent, Mrs. Lucille Shannon; 1st vice-regent, Mrs. Grace Ford; 2nd vice-regent, Mrs. Vera Asquith; secretary, Mrs. Lila Wiggins; Treas., Mrs. Hazel Nichol; standard bearer, Mrs. Reeta Gillies; Echoes and publicity, Mrs. Natalie Gillies.

A very successful year was reported with all necessary contributions being made to provincial and national funds. Donations included \$25 to the Korean project, \$35 to the Lions club in appreciation for use of the hall; \$10 to the Didsbury school representative to the United Nations summer school in Banff and a \$50 scholarship awarded to Norman Archer.

The local nursery received \$152.30 in supplies and one baby layette was completed and given to a needy family. One quilt was sent to Greece. The canvass and tag day for the C.N.I.B. netted \$417. The funds were replenished by catering to barbeques and operating the concessions at the arena. The Chapter operated the food and refreshment booth at the arena on evacuation day and Jubilee day.

In the educational line, reports were given on Empire and world affairs, education, and current events. A picture of Her Royal Highness, the Queen was presented to the Didsbury school at the Jubilee celebration.

Mons Chapter attended church service in commemoration of Founder's Day. A memorial service was attended in November and a wreath was placed. Mrs. Bryan Johnson represented Mons Chapter at the civil defence course at Armprior, Ont.

At the close of the meeting returning members of the executive were presented with I.O.D.E. sterling silver spoons in recognition of their work.

WESTCOTT W. L. HONOR 10-YEAR MEMBER

Westcott, W. L. met at the home of Mrs. Harry Levagood on Tuesday, Feb. 28, with 12 members and four visitors present. Roll call was assisted with a jar of jelly for the contest.

Mrs. C. Shields gave a very good report of the Cancer Workshop, held recently in Calgary. A gift is to be bought and sent to Miss Betty Reider of Carstairs in appreciation of the slides she showed us of her trip to the United Nations.

All the women are to be ready for shipment by March 20th.

Mrs. Heru Goetjen was appointed delegate to attend the conference in Calgary, on March 7 and 8.

Mrs. Goetjen also gave the home economics paper on "Time we are learning to use." Mrs. Cliff Eckstrand had the 5-minute talk. She chose an article on "Stillbirth" used in feeding class.

Mrs. Macfarlane, vice-president, presented Mrs. Hay Benson with an A. W. I. souvenir spoon, as she has been a member of Westcott W. L. for 10 years. Also presented to Mrs. Benson was an A.W.I. pin as she is going away gift from the W.L. The Bensons are moving to Edmonton very soon.

A bouquet of flowers was received from Mrs. Helen Bauidistel, a member of the W.L. who is visiting friends in Vancouver. The flowers arrived the very day of the meeting, even though it was held two days early. It made everyone wish we could be there to see the flowers instead of so much snow here.

Kind Hearts Aid Young Heart

A flood of cheques have poured into the home of seven-year-old Faye Carnegie enabling the Toronto child to undergo an expensive heart operation in the U.S. The operation will be performed at the University of Minnesota Hospital May 2. Faye's father, 27, a shipper in a Toronto factory, had three other children and couldn't afford the operation. The Ontario Red Cross gave \$1,000 and has offered to pay for transportation. With Faye is Junior Red Cross worker Olga Mink.

From Behind

The Glass . . .

No comment of too much interest this week — our correspondent is a little bit lax — but we do know that local rinks have been taking part and are taking part in "spies" throughout the district. We hope to have details of their maneuvers next time around.

Turn Your Water On . . . Please !!

Town authorities are asking all those who use the water and sewer lines to turn all hot water taps on and run them for 10 o'clock noon, commencing at 12 o'clock noon, Friday, March 9. It is important, in this test case, that as many taps as possible be running at the same time. If you don't hear the siren blow we suggest you set an alarm clock for the time stated and take part in a plan which could save you grief from frozen pipes.

CREMONA NEWS

(From Our Own Correspondent)

The playoff in the round robin was completed last week with Mick Ears rink (including Gordon Reid, Vair Reid and Allen Reid, defeated Warren O'Dell's rink. Other players on Mr. O'Dell's rink were Mrs. G. Bennett, Mrs. O'Dell and Donna Maynes. A closed bonspiel is now under way at the local rink.

Mr. and Mrs. C. Topping and Mr. and Mrs. P. Rodway won second honors in the mixed Legion "spies" held at Sundre, Feb. 26th.

The joint church board of Carstairs, Banff and Cremona met in the Carstairs United Church hall last Wednesday, February 29th.

Members present from Cremona were Mrs. Van Hasfen, Mrs. D. MacFarquhar, Mrs. A. Gano, Mrs. M. Earle, Mr. G. Rattery and Mr. A. Reid.

David Lamont visited at the home of his sister, Mrs. G. Laing on Sunday, March 4th.

The United Church Sunday school teachers met at the home of the superintendent on Friday, March 2.

Rev. Magee met with the group and offered many helpful suggestions. There is a great need for many Sunday school lessons and subjects.

Teachers present were Mrs. Reid, Mrs. M. Earle, Mrs. M. MacEwan, Mrs. L. Bird, Mrs. C. Bird and Mr. L. Mork.

Mrs. P. Prizell is home again and it will be at least a week before she can resume work. For a few little boys and girls have been missing with a broken leg, incurred when he and Ralph Waterstreet kicked at the football at the same time.

It is a bad break just above the ankle. Ronald will be hospitalized at least a month and will not be able to attend school for some time after his return home. His folks, Mr. and Mrs. J. McKay are contemplating giving him correspondence lessons.

The monthly meeting of the Cremona W.A. met at the church Friday afternoon, March 2. There were 18 ladies present. Tentative plans for improving the kitchen were made. Anyone who has a kitchen range they would like to donate to the group please contact the president, Mrs. A. Gano.

Friends of Mr. B. B. Reid will be sorry to hear he is back in the hospital. He is in Didsbury this time with an infection in his eye.

Midway News

(From Our Own Correspondent)

Mrs. Gordon Hoskin and Bert, Mr. and Mrs. Fred Hoskin, Mrs. H. Swanson, Garry and Robert, visited with Mr. and Mrs. Roy Brown of Olds and Mrs. E. Hunter of Didsbury on Friday afternoon.

Mr. and Mrs. Maxwell Simpson and daughter, Joyce were last Sunday visitors with the latter's parents, Mr. and Mrs. Roy McNeas.

Mrs. C. Swanson visited with Mrs. R. McNeas on Friday afternoon. The Midway school children held an ice carnival on Thursday evening at the school. The evening got underway with a parade by all the school children dressed as Indians, cannibals, the shamrockettes, the rocky-jets and Bombers, and the Hollywood majorettes, as well as the Ringling Bros. clown acts. Even a row strolled around the ice.

Heather Marsh was crowned carnival queen, which brought the evening's entertainment to an end.

United Church held services and Sunday school at Midway school on March 11 at 11 a.m.

LEGION AUXILIARY PLAN ANNUAL ART EXHIBIT

The annual St. Patrick's Day Tea and Exhibit of Art sponsored by the Ladies Auxiliary to the Didsbury Branch, Canadian Legion B.E.S.L., will take place Saturday, March 11th in the Lions hall from 2:30 to 5:30 p.m.

This year's exhibit will include paintings by the Sunday group, under the direction of Mr. Christopher Stevens of Olds, as well as work of local artists.

Oil, pastels, pen and ink and water colors will be the media featured.

The Auxiliary would be interested in having more local artists exhibit their work, and anyone wishing to do so should contact Mrs. George Matlen, phone 820 before March 10th.

Pictures should be framed, and if not then they must be backed by wood or heavy cardboard. While good care is taken of all pictures in the exhibit the Auxiliary will not be responsible for damage to a picture if it is not finished as requested.

Although no prizes are given at this exhibit, this year \$5 award will be made to the artist whose picture is judged the best liked of the exhibit. Those attending the exhibit will be asked to ballot on the picture of their choice.

As usual the Auxiliary will raffie a painting which has been donated to them, the lucky ticket holder having their choice of several pictures.

These will be on display later in the window of Folmann's Clothing store.

Natural Gas On The Way

The town of Didsbury has received word from the Provincial Government stating that the natural gas franchise, which had been passed in 1952 is no longer in force.

First reading of a new by-law regarding natural gas in Didsbury will be dealt with at the March 12th meeting of the local council.

In the next issue of the Pioneer we will give you a comparative table which will include natural gas heat, oil, propane and coal.

The first indication that we'll be able to use natural gas in this part of the province came when we noticed a team of workers unloading pipe (the material the fluid runs through) at the C.P.R. unloading platform last week.

We understand that the pipes they're taking off the deck here will be used in areas north and south of this great metropolis. From source supposed to be close to the "head man" the remainder of the material needed for this end of the project will not be available until either April or May, about the time (we think) when it can be put into use.

Total length of the planned line is 92 miles and it is expected that it will take the best part of a year to make the change-over from what-ever you're speaking to the natural gas set-up.

We're speaking broadly here, there are those who wish to stay with their present way of living and those who are looking forward to a change. Take your pick !!!

Arena Closes Saturday . . . No Customers

For the skaters . . . Saturday night is the last chance you'll have on the local ice surface. The schedule will continue as usual until then at that time the doors will close for the season.

Poor attendance and high upkeep is the reason for this move.

"LET'S TAKE A LOOK": That's what 13-year-old David Loomer, St. John, N.B., says to Mavis Gillett, 10, as Canadian Pacific Railway constable N. Deplin shows them the film "The Lone Way Home From school." This is part of a visual education program being carried out by the C.P.R.'s investigation department to impress on youngsters that they should stay away from railway property. Recent figures show that 489 movies have been shown at 489 schools and have been viewed by 174,316 children across Canada. Looking on is B. L. McCarthy, assistant superintendent of St. John, N.B., city schools.

WET GROUNDS

Herb Schriener, waiting his turn to have his hair cut, picked up a magazine for expectant fathers and came across this bit of advice: "It will help to place the diaper in the shape of a baseball diamond with you at bat. Fold second base over home plate. Place baby on the pitcher's mound. Then pin first base and third base to home plate and you're all set." "All set, my eye!" commented Schriener. "I tried that very trick on my first born, but the game had to be called on account of wet grounds."

Mr. and Mrs. H. Russell and Keith were Sunday dinner guests at the home of Mr. and Mrs. Joe McGaffin Saturday evening.

Saturday evening Mr. and Mrs. Joe McGaffin visited at the home of Mr. and Mrs. W. H. McGaffin in Didsbury.

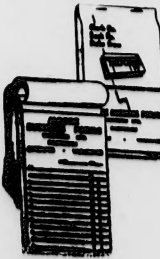

CHRISTIAN SCIENCE

How faith advanced to spiritual understanding God provides the answer to sin, lack, and other disorders will be brought out in the Lesson-Sermon entitled "Substance" at Christian Science services Sunday.

From the King James Version of the Bible will be read the following (Romans 14:22): "Hast thou faith? have it to thyself before God."

Among the passages to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy is the following 2:10: "Faith, if it be mere belief, is as a pendulum swinging between nothing and something, having no fixity. Faith, advanced to spiritual understanding, is the evidence attained from Spirit, which rebukes sin of every kind and establishes the claims of God."

The Golden Text is from Hebrews (11:1): "Now faith is the substance of things hoped for, the evidence of things not seen."

Quote From Ed Buhr —

Ed says: "Before we start talking politics can I borrow a couple of pails of water from you. They're still looking for the break in the water line but I think they're within a few feet of it now. Now if they had this wheat situation straightened out..." The phone rang, we had to go, the wheat situation has not as yet been fully explained to me, or anyone else.

Quote From Lorna —

Nurse Lorna Harvey (X-ray expert at the local hospital): "No, not you again — why don't you just buy one of these machines, it'd be more convenient to set it up in your home and save yourself some mileage." (Being the one she was talking to and counting the number of times we've had table pictures taken by Lorna, the thought is lurking in the back of our mind to install a portable X-ray machine so we can use it at the office and at home. This time it was just broken ribs — next time could be we'll break a fingernail. We hope!)

Quote From Hollywood —

Grounds for divorce, spoken in court: "He didn't like the color of my toe-nail polish — even threatened to scrub it off." Divorce granted. (What kind of a world do they live in!)

Quote From Clint —

Reiber curled in the Elkton 'spiel last week: "Sure hope we got knocked out soon, getting too old for the steady grind. Coming home with the jewellery he was heard to say: 'Best 'spiel I've been in this year. Where do we go next?'"

Quote From Johnny —

Maybe we coaxed him a little bit (we're speaking of Johnny Holub) but he finally insisted on seeing the type line which have invaded our machine in the past two weeks. We're sorry we obliged the man, his quote is unquotable.

Quote From Headquarters —

Must be the lad who runs the machine: "Quit quoting, I've got other things to do besides pushing this drivet out of a linotype." That's it!

W.M.S. Meet In Red Deer

The W.M.S. Red Deer Presbyterian United Church of Canada held their annual meeting recently in the Didsbury Knox United Church.

A highlight of the conference was the address illustrated with colored slides by Mrs. Ivan Robison of Calgary, as she pictured "The Second World Council of Churches" held in Evanston, Ill. Mr. Robison was the Alberta lay-delegate from the United Church to the world wide conference of Christian Churches.

Mrs. R. P. Berry of Calgary, 1st vice president of Alberta branch gave the theme address "Changing Patterns, Challenge the Church."

Miss Bonnie Clarke was the guest soloist.

Mrs. A. E. Eastes of Ponoka, Presbyterian President was re-elected to her 3rd and last term as president and along with her large executive was duly installed to office by Rev. T. J. Stainton.

The treasurer reported that the total sum of \$4640 had been forwarded last year, to the Alberta branch W.M.S. to help further the work of the church missions both at home and abroad.

LARGE GATHERING SEE FILM AT LUTHERAN CHURCH

On Thursday evening, March 1, 276 people of the Didsbury area assembled at Redeemer Lutheran Church to see the epic sound film "Our Bible - How it came to us." This film, produced by the American Bible Society was shown locally through the courtesy of the British and Foreign Bible Society, South Alberta Branch. The offering for the evening, amounted to \$81.00, turned over in its entirety to Mr. Andrew Wood, District Secretary of the South Alberta Branch of the British and Foreign Bible Society, for the work of sharing Holy Scriptures with those who do not have this blessing, or due to financial problems are not able to procure it for themselves.

"MAN AND HIS JOB"

It is said that on one occasion Pat went to see his doctor: The doctor began asking him a number of questions. Pat said: "There is no need of all these complicated questions. The matter is very simple. I can eat alright. I can sleep alright, but when it comes to working I shake all over." Whenever I stop to think about the mountains I remember a peak is always a point between two valleys, from which one can look down into each. There are always peaks in life to which one may climb and from which one can understand better the efforts along the way, and the results, such efforts have had on one's reaction toward life.

In or home community a farm barn was struck by lightning. My uncle was a hired man on the farm. He went into the stable to lead out some horses. They would not be led. He risked his life and near lost it trying to save those horses from the burning building. They could not see in the smoke and would not trust. Lives peals can be easier reached when we follow with confidence a good leader or guide. But no leader, not even Jesus the greatest of all leaders can lead those who refuse to be led.

Sometimes when on the train I sit in the smoking apartment, to get acquainted with, and to talk with those who are there. More than once I have been asked "What is your business?" Roman caller, says the proper answer to that question for a minister. "The biggest business in the world."

Well that is exactly what it is for me. However why should not every person who is doing a necessary piece of work, for the welfare of man here in God's world, where God has permitted him to be answer in exactly the same words? God's Kingdom and will are being promoted daily through the services and efforts of just such folk, as they were the people engaged in efforts less in harmony with God's will. To the person conscious of so serving, his is the biggest business in the world for him.

We do not always think that way about it. To one person gardening is digging in the dirt. To another it is co-operating with God in creating beauty. To one housework is scrubbing and slaving. To another it is a loving service for a family beloved. To one student homework is slaving for a mean teacher or mere chance getting ready for finals. To another it is finding the way to life's highest peaks. Some enjoy work. Others try to run away from it.

The Old Testament gives us the story of three men, all leaders, who tried to evade life's necessary demands. All three failed. Moses went into the wilderness. Elijah

Text Book Rental System To Be Analyzed . .

The Text Book Rental System will be studied at the Home and School meeting on March 13, 8 p.m. in the school auditorium.

The Department of Education encourages this system which is being used in some 20 school divisions in Alberta, and whereby the pupils rent their text books for about 1-3 of cost. The parents quite naturally will favor such a scheme as it works to their entire and complete advantage. However the work involved to in-sure such a plan and to keep it in smooth operation falls to the lot of the teachers and the school board. The question is — is it fair? and is there anything that the parents could do to help lighten the burden should such a system be set up in our school division in the near future?

A large attendance is requested to hear the resource speakers, who have had experience with this system and who will be able to present the points of view of both the teachers and the board members.

A special invitation is hereby bestowed to all teachers and board members to be present. Don't forget our talent show to be held tomorrow evening, Friday, March 9 at 8 p.m. in the school auditorium. All performers are local amateurs and they will provide a well balanced variety concert, which promises to be an evening of good entertainment at a modest rate or charge.

STILL LEARNIN'

A little boy in a crowd had been giving vent to his feelings. An old lady observed, "My word! Doesn't that little boy swear terribly?"

Little Joe replied: "Yes'm, he sure does. He knows the words all right but he don't put no expression in 'em."

hid in a cave. Jonah took ship in the opposite direction from which duty challenged. None of them had any value until they each faced again their god-given task. Then it was each found life's meaning.

A woman scrubbed the government halls. She stopped in to see a friend and have a cup of tea. The friend asked her about her work. She replied "I cannot say all I feel but my mop sings it."

"Sings what?" asked the other. "My love for my behaviour, for my home, for my work and for Canada my home land by adoption."

Love is the biggest thing man becomes conscious of because "God is love." "We are co-workers together with God." In that light every job fit for God to share with man is a really big job worthy of man's best. Anything smaller than that is not a job: just a time and life waster.

Dodge Mayfair V-8, 4 Door Sedan

Family safety wears a look of glamour and go!

'56 DODGE

Check the safety features listed at the sight. All are standard equipment on any Dodge model you choose. Some are brand-new, of course, but Dodge has provided most of them for years.

That's because safety is nothing new with Dodge. Year after year, Dodge has consistently pioneered and developed more and better safety features than any other low-price car.

This year, too, Dodge gives you the power you need for safer motoring. New high-torque 6 and V-8 engines

provide up to 200 horsepower, pack plenty of reserve for safer passing, safer acceleration.

There's new driving ease, too. New push-button controls for PowerFlite automatic transmission let you select your driving range at the touch of a button. Safety-positioned at the left of the driver, these controls are simple and mechanically operated.

See your Dodge-De Soto dealer soon. Drive a Dodge... Canada's "safety-first" car!

DISTRICT NEWS

M.V.B.C. NEWS

(From Our Own Correspondent)

President and Mrs. Taylor were in special services in the Parkdale United Missionary church over the weekend. President Taylor has many calls having recently been speaker at Olden banquet in Calgary as well. His schedule is quite full and we all appreciate the abilities he has in this respect.

The entire student body were invited to a social evening at Canadian Nazarene College last Friday evening. The group experienced some difficulty in getting there. They had to make a detour on the way because of an accident on the highway, and were consequently retarded considerably. However, they had a good time when they arrived. The students of the two colleges had arranged a joint program and the evening was filled with fun and laughter. A delicious lunch was served before all of the young people went to the chapel for devotions. Clifford Quantz, president of the associated student body of M.V.B.C. closed the program with appropriate words of appreciation to those who entertained us so well. Mrs. Kagey, Mrs. Siemens and Miss Eby accompanied the group.

The male quartette "The King's Messengers" sang and held services at Montgomery and Parkdale a week ago. These young men preach and sing well. The quartette is composed of Earl Reimer, David Archer, Mervin Traub and Ormand Sherick.

Mrs. Lydia Suder was guest speaker at both the W.M.S. and the United Missionary Church in Edmonton over the weekend. Mrs. Suder has spoken in almost all of the United Missionary churches of the conference during the winter months. She teaches a full schedule in the College as well.

Miss Hazel Eby, missionary in Mexico for the last ten years, put on a Mexican supper for the students on Tuesday evening. Mexican food is delicious and Miss Eby is no mean cook, so the supper was greatly enjoyed.

Rev. Bob Simpson brought the intriguing film on the life of Sammy Morris, a run-away African slave boy and presented it in the chapel last Thursday. It was one of the most interesting and stirring films we have yet seen. Mr. Simpson's missionary films have done much to give all of us a greater vision of foreign missionary work.

Last Wednesday evening the young peoples' class of the United Missionary church had as guests of honor Paul Archer and Florence Reist, and Virginia Hamm and Bill Shaw, couples who will have their wedding during this month. This is Miss Eby's Sunday school class, and all who were not students were invited as well. A splendid program was presented by the president of the class, Ormand Sherick. After each couple was presented with the traditional cup and saucer, for each one. Miss Eby took devotions.

On Thursday of this week the school will hold its second day of prayer for the year. Rev. Bob Simpson will be in charge of the day. A large number of books have been added to the library this winter. A friend in the east donated the entire writings of Dr. J. A. Huffman appreciation of the work he has done. This set is being placed on a special shelf dedicated to him. We appreciate this help so much. Students have a library fee of two dollars per person per semester and this money has been put to good use.

We are glad to say that 14 memorials, but we are sure these will be subscribed for the organ. We could still use several more memorials, but we are sure these will be forthcoming during the summer months. Our organ is being used constantly as the young people practise all hours of the day.

Some of the students and faculty members attended the dinner given Miss Virginia Hamm at the Oke home on Saturday afternoon. Miss Alta Mae Oke and Miss Phyllis Traub were in charge of the program and presentation of gifts. Virginia was the recipient of many lovely gifts.

WEST NOTES

(From Our Own Correspondent)

The West Didsbury Calf Club held a very successful social evening at the Elkton School on Friday evening. After a short program, a dance was played and pie and ice cream sold. Over \$80 was realized from quite a large crowd.

The Elkton Club held their annual mixed bonspiel last week with 19 links competing.

The Bob Dubois rink again won first in the first event. Assisting him were C. Sorenson, R. Young and Mrs. Dubois. Second went to the Casey Kyles rink of Carstairs with Mr. and Mrs. R. Gootjen and L. Hildebrandt. Third was George Whitlow of Cremona with Ken Whitlow, Lee Sanderman and Mrs. G. Whitlow. Fourth was Jay Tugle with Mr. and Mrs. Calvin Shannon and Mrs. Tugle.

In the 2nd event A. Allen took first with LeGrand, Mrs. S. Deane and C. Reiber assisting. 2nd went to W. Moncey, Mrs. H. Erickson, W. Weidner, R. Vipond and Mrs. R. Befus. 4th Glen and Gordon Luft and Jay Tugle with Mr. and Mrs. Mr. R. Dubois won the table lamp that was raffled. Everyone seemed to have a good time and a roaring trade was done at the counter.

Mr. Albert Krueger returned home from an Edmonton hospital last Wednesday and is feeling fine again. Mr. and Mrs. G. Befus, Mr. and Mrs. Arnold Hogg visited with Mr. and Mrs. Frank Hertz on Sunday.

D. H. S. PLANS YEAR BOOK

This year for the first time in its history, the Didsbury high school students' union is publishing a year book. It will feature pictures of the students, and extra-curricular activities.

It has been decided that in order to cover safely all costs, the price will be \$1.50 for students and \$2 for outsiders. The deadline for subscriptions will be March 30 in order that a down payment may be sent to the publishers as insurance of the contract.

Any outside subscriptions will be collected by Bonnie Clarke or Elaine Kimmel, the correspondents of the year book committee.

Notes From D.A.

By Howard J. Fuleher

Mr. C. L. Usher has been appointed Supervisor of Alberta's 4th Clubs. He has been working with the club movement since 1949 as Mr. G. S. Black's assistant. With the recent passing of Mr. Black, Mr. Usher now takes over the supervision of over 6,000 4th's in Alberta.

In the area supervised from this office there are eight clubs, five beef, two dairy and one grain. The total enrollment of members is 114 in these eight clubs. The members conduct their own meetings and plan their club activities. They are guided by an adult committee one of which is the club leader. The club leader often devotes a considerable amount of time in the direction of the club's activities and his only reward is the satisfaction he feels as he observes the club members progress.

The club's hold regular meetings and at these discuss and learn about the projects in which they are involved. The beef and dairy club members are given instructions in selection, feeding, management and judging of livestock, a similar program is carried out in the grain club with their exercises designed towards better crop production. Each club year finishes with an achievement day where the members compete with others for awards. All club members gain much experience and training as they carry out their program, and learning to do by doing will become valuable citizens of their community.

LOCAL COUPLE CELEBRATE 25th WEDDING ANNIVERSARY

About 40 well-wishers called on Walter and Maxwell McCoy last Friday afternoon to help them celebrate their 25th wedding anniversary. Following this an after-supper gathering was held at which 37 relatives were present. Out-of-town relatives included Mr. and Mrs. H. T. Howe and Mr. and Mrs. Lloyd Howe of Three Hills; Mrs. Alexander Killam; Mr. and Mrs. G. L. Cammaert of Rockyford; Mr. Kelvin Pack of Raymond and Miss Twila McCoy who journeyed from Calgary.

TELEVISION FROM A DIFFERENT ANGLE

The federal government was criticized Tuesday in the provincial legislature, this time for permitting "objectionable programs" on television.

Chapier Savers, M.L.A. complained at a committee meeting on public accounts that a film shown over TV on Sunday afternoon depicted a drug addict taking drugs. A similar film had been banned in movie houses by the provincial censor but had no control over television.

The discussion arose when an expenditure of \$834 for a study of objectionable publications was queried by Jack Landeryou, M.L.A.
